To Whom It May Concern,

I am writing this letter to highly recommend Justin Jefferies for your Master's program for sport administration at Arkansas State University. We have been lucky enough to have Justin join us as an intern this past August as he is completing his undergraduate degree in sport and recreation management at the University of North Alabama.

Justin has greatly exceeded all of our expectations in his short time at UT Martin. In addition to serving as the primary contact for our soccer, rifle and baseball teams, he also is an invaluable commodity on basketball and football game days as our Statcrew inputter where he thrives under the pressure of not only making sure the statistics are correct but timely. The coaches and fellow administrators that he works with on a daily basis have nothing but great things to say about Justin's professionalism and work ethic.

I have absolutely zero doubt in my mind that Justin will step in and improve any graduate studies program in America. He is a young, intelligent hard worker who understands the daily grind of multitasking. I cannot wait to see him professionally blossom in the collegiate athletics field.

If you have any questions at all, please feel free to reach me. My contact information is below.

Take care,

Ryne Rickman
